Blind - Eliot Porter: Birds large and small

Eliot Porter is widely known for his landscape images and his work with the Sierra Club, but I think his bird pictures don't get as much attention as they should. Reading his autobiography, he says that birds were a passion of his since he was very young. This passion lasted throughout his life and he made pictures of birds as much as he could.

Birds of North America : a personal selection.: Porter ...

The coming of age film stars Elliot Page as the titular character, named after Zeus’ official wife in Roman mythology, and his performance is near-perfect. Juno is so utterly raw and whole as a teenaged girl trying to understand how life works- She goes back and forth between a likable, quirky teen and a sympathetic kid who doesn’t understand the world as whole.
