autopage manuals - the12volt.com

Recently I purchased an Autopage RF 225 alarm and it says on the instructions that it is for professional installation only, which is probably why they are so brief. For the most part I think I have a good idea how to wire everything up, but there are a few wires that I am unsure about and could use some advice. Here is the Fiero wiring information that was found on the12volt.com Ok the wiring
