Cengage Advantage Books Visual Storytelling

History. Learn more about the subject of history, which is broadly defined as the study of past events. Due to the broad nature of the concept, most historians narrow their scope by focusing on a particular time period, a particular country or region, a particular person, group, or individual person, a particular theme, or any combination of those categories.

Game design is the art of applying design and aesthetics to create a game for entertainment or for educational, exercise, or experimental purposes. Increasingly, elements and principles of game design are also applied to other interactions, in the form of gamification.Game designer and developer Robert Zubek defines game design by breaking it down to its elements, which he says are the following:

A brand is a name, term, design, symbol or any other feature that identifies one seller's good or service as distinct from those of other sellers. Brands are used in business, marketing, and advertising for recognition and, importantly, to create and store value as brand equity for the object identified, to the benefit of the brand's customers, its owners and shareholders.

Course Help Online - Have your academic paper written by a ...

Unfortunately, printing books is an expensive process, and you may find it difficult to interest a publisher in your work. Anyone, however, can pay out of pocket to have a book published by a vanity press. The results are often quite good, with a slick and glossy production that is indistinguishable from other books.
