Dope, Inc. Britain Opium War against the US (1978).pdf ...

A mammoth campaign of slander and government dirty tricks tried to bury the authors, because Dope, Inc. revealed the most deeply held secrets of the big names behind the world's illegal narcotics trade. In Venezuela, the leading drug-running families who were exposed in the Spanish-language version, Narcotrafico, S.A., used their political influence to have it banned and confiscated. Financiers scrambled to control the damage of this unprecedented exposure.

Dope, Inc: Britain's Opium War Against the World ...

Dope, Inc. was commissioned in September 1978 by U.S. Labor Party National Chairman Lyndon H. LaRouche, Jr., and was produced under his direction. At that time the Labor Party launched an international campaign against organized crime and drug traffic. As LaRouche has pointed out numerous times in the

DOPE, INC.

The idea that some of the world's leading private financial institutions were deeply implicated in the witting laundering of hundreds of billions of dollars a year in illegal dope money was seen as the single most shocking fact brought to light with the first release of Dope, Inc. We demonstrated that dope was the largest commodity in international trade, with the exception of petroleum, and that the annual revenues of the narcotics traffic exceeded the national product of most of the world ...
