Editor's note: NRAES is now known as Plant and Life Sciences Publishing (PALS). Find up-to-date information about PALS at <https://palspublishing.cals.cornell.edu>. NRAES, the Natural Resource, Agriculture, and Engineering Service, is a not-for-profit program dedicated to assisting land grant university faculty and others in increasing the public availability of research and experience-based ...

### **About NRAES - SARE**

Agritecture began as a blog in 2011, with the mission of discovering new forms of urban agriculture and sharing them with the world. As the commercial urban farming industry grew over the next several years, Agritecture Founder Henry Gordon-Smith noticed entrepreneurs struggling to make data-driven decisions as a flood of technology & equipment options entered the market.
