Programme 2nd Second By  
Albert Arnold Hinderoff David  
2010 Paperback

The IB Biology course covers 6 topics for SL students, while HL students study an additional 5 topics that expand upon more complicated concepts introduced in the core syllabus. SL and HL students follow the same curriculum up to and including Topic 6, whereas Topics 7 through 11 are exclusive to HL students.

The book is an excellent course book for both IB standard and higher level biology. It matches the IB course outline quite well and in any case it is also a helpful preparation for the first year of University. (That is if you intend to study Biology or related subjects of course). It is not yet outdated so I'd definitely recommend it to ib students.
