The vast majority of books at Project Gutenberg are released in English, but there are other languages available.

Identity And Pleasure The Politics

Identity and Pleasure: The Politics of Indonesian Screen Culture critically examines what media and screen culture reveal about the ways urban-based Indonesians attempted to redefine their identity in the first decade of this century. Through a richly nuanced analysis of expressions and representations found in screen culture (cinema, television and social media), it analyses the waves of energy and optimism, and the disillusionment, disorientation and despair, that arose in the power vacuum ...

Project MUSE - Identity and Pleasure

"Identity and Pleasure: The Politics of Indonesian Screen Culture is a brilliant study of the diverse and seemingly contradictory forces at play in the world's fourth largest nation state. . . . Perhaps the most striking feature of Identity and Pleasure is Heryanto's ability to find meaning in seemingly trivial and mundane aspects of popular culture."

Review of Identity and Pleasure | Ariel Heryanto

If representatives of a certain identity group grab power, or influence the state, they will often exaggerate identity politics based on their own biases and interests. The group in power would likely push out other identity groups or try to assimilate them, while promoting their preferred mode of identity, be it ethnic, religious or regional.

The Relationship Between Power and Identity - The New Context

Ariel Heryanto - Wikipedia

Linking politics and pleasure, Consuming Behaviours explores how individual consumers and groups reacted to changes in marketing, government control, popular leisure and the availability of consumer goods. From football to male fashion, tea to savings banks, leading scholars consider a wide range of products, ideas and services and how these were marketed to the British public through periods of imperial decline, economic instability, war, austerity and prosperity.
