Engineering Notes Handwritten class Notes Old Year Exam ...

Scientists make a case for handwritten note-taking. "When people type their notes, they have this tendency to try to take verbatim notes and write down as much of the lecture as they can," Mueller told NPR. "The students who were taking longhand notes in our studies were forced to be more selective—because you can't write as fast as you can type.

Study Shows Taking Notes by Hand Is Better Than Typing ...

Marine Engineering More than 70% of our planet is covered by water. The earth's oceans, rivers, lakes, and their coastal margins are all part of what we call the marine environment. In the De-partment of Naval Architecture & Marine Engineering (NA&ME), students learn how to design ships and various
