## **Markets and States in Tropical Africa: The Political Basis ...**

Markets and States in Tropical Africa: The Political Basis of Agricultural Policies. Most Africans live in rural areas and derive their incomes from farming; but because African governments follow policies that are adverse to most farmers' interests, these countries fail to produce enough food to feed their populations.

## **Markets and States in Tropical Africa: The Political Basis ...**

Following independence, most countries in Africa sought to develop, but their governments pursued policies that actually undermined their rural economies. Examining the origins of Africa's growth tragedy, Markets and States in Tropical Africa has for decades shaped the thinking of practitioners and scholars alike. Robert H. Bates's analysis now faces a challenge, however: the revival of ...

### **Markets and States in Tropical Africa: The Political Basis ...**

Bates. 1981. Markets and states in tropical Africa: The political basis of agricultural policies.

Berkeley: University of California Press. When post-colonial governments gained power, they took control of states economically dependent on producing and exporting primary products, especially food goods. Desiring rapid development, they implemented policies to shift resources from agriculture to ind
