Modality And Meaning Download Modality And Meaning books . Part I of this book presents a theory of modal metaphysics in the possible-worlds tradition. 'Worlds' themselves are understood as structured sets of properties; this 'Ersatzist' view is defended against its most vigorous competitors, Meinongianism and David Lewis' theory of existent concrete worlds.

[PDF] Modality And Meaning Full Download-BOOK
In linguistics, modality is a system of linguistic options that allows for expressing a speaker's general intentions (or illocutionary point) as well as the speaker's belief as to whether the proposition expressed is true, obligatory, desirable, or actual. Modal options can be realized by word order (I), modal auxiliaries and modal adjuncts.Sometimes, the term mood is used to refer to both mood ...

Linguistic modality - Wikipedia
2.4.2 Kant, von Wright, and Palmer. With Kant the term "modality" gained some frequency, and it replaced the Boethian sense of "mood", primarily in philosophy and logic, but also in linguistics, especially but not exclusively in the German tradition.

History of Modality and Mood - Oxford Handbooks
This volume focuses on the interplay between grammatical and pragmatic factors in the comprehension of lexically communicated meaning. It uses a case-study, modality, in order to illustrate how the plasticity of lexically conveyed information can be accounted for without assuming semantic polysemy. The author's approach to the semantics and pragmatics of the English modal verbs is developed within the relevance-theoretic framework of communication.
