The 42nd Parallel, 1930. The first volume in what would become Dos Passos's most famous work, the trilogy U.S.A., The 42nd Parallel introduces grand innovations in the form and content of American literature. The author chronicles the U.S. at the turn of the 20 th century, as the country angsts for attention on the world stage. Across America, Dos Passos is troubled by how new institutions and movements—such as industrialization, imperialism, and materialism—stifle human freedom.
