The right to die debate, through the years. Dr. Jack Kevorkian meets the press in homemade stocks before his arraignment on assisted suicide charges in 1995.

The right to die battle: A timeline - The Washington Post

The term right to die refers to the issue of whether a person who has a terminal illness, or who is facing a lingering death, should be permitted to end his life on his own terms. Someone's "right to die" sums up all of the decisions involved in such a complex issue. Examples of right to die decisions include whether or not the person should live on life support, and whether or not the ...
